

Details Review Activity 12AP

Details- Specifics about a subject, person, location, object, etc. that give a vivid picture. **ALLUSIONS** are important to details. Keep in mind, details can be linked to imagery—they **ENHANCE** imagery so you have a **SPECIFIC** picture in your mind.

- 1. You and a partner will be given a bag containing an object. DO NOT TAKE THE OBJECT OUT OF THE BAG! DO NOT TELL ANYONE YOUR OBJECT.**
- 2. Brainstorm ten (10) details from OBSCURE to SPECIFIC, listing them on paper.**
- 3. The point is for people NOT to guess your object at the beginning, so you have to make your details very OBSCURE.**
- 4. Include at LEAST 5 allusions in your details.**
- 5. Your last clue/detail should be the answer. Make these as difficult and outlandish as possible but still detail the object.**
- 6. Reflection- What is difficult about details? How has this activity helped you understand details better?**
